Celebrating
"A Century of Excellence"

Welcome!

South University has a 110-year old tradition of providing exceptional academic opportunities. At South every student is known by his or her first name. Our classes are small, and our faculty and staff are focused on individual success. Here in Hampton Roads, we are discovering a hunger for education and career advancement. They are discovering it here, in a host of disciplines. **Today our degree programs include:**

- Associate of Science in Paralegal Studies
- Bachelor of Arts in Psychology
- Bachelor of Business Administration
- Bachelor of Science in Criminal Justice
- Bachelor of Science in Healthcare Management
- Bachelor of Science in Legal Studies
- RN to Bachelor of Science in Nursing (BSN)
- Master of Arts in Professional Counseling
- Master of Business Administration

As our student body grows, we will add more offerings. As you will see when you tour our campus today, we have ample classroom space, equipped with the industry-standard technology to facilitate multi-media presentations, teacher-student interaction and even distance learning.

Come back often and recommend South University to people of all ages who are seeking to advance themselves, their families and their communities.
